41 YEARS OF SERVICE TO FIRE & RESCUE NSW

Pictured Above - Steve Senini with his Service Presentation Trophy

After an approach from Brigade member Stu Brooksby and a conversation with the late Mo Harvey, Steve Senini began his career in the Berrigan Brigade on the 15th May 1980.

At the same time, the late Haydn Spence and Allan Lawrence also joined the Brigade, which led to some new and exciting times. Gavin Schweiker made the comment that they were probably the three noisiest members to join the brigade. With the influx of new recruits, the Brigade restarted attending the Zone and State Brigade Championships, competing against other Brigades for Zone and State Honours in Fire Fighting Skills.

During Steve's 41 years in the Brigade, he had three Captains:- Mo Harvey, Bob Gillespie and current Captain Stuart Lee.

In the early days, Steve was fortunate enough to learn a lot of his skills from Mo Harvey, Ken Hunt, Stu Brooksby and Gavin Schweiker, whereas these days, members obtain their skills by doing online courses and also attending the training College at Deniliquin.

During Steve's time in the Brigade, women crew members were introduced. Berrigan was one of the first local Brigades outside of permanent firefighting members to have women inducted into their Brigade. At one point, Berrigan had five women firefighters which has now dropped to one and the Service would welcome more women to join the Brigade. Two local Brigade members, James Browne and Narelle Joyce, progressed from being retained firefighters to becoming permanent firefighters.

Over the last 41 years, the Brigade has progressed from only attending house and grass fires to now also include Motor Vehicle Accidents, rescue, HAZMAT (Chemical Spills) Incidents and ambulance assist.

Some of the major incidents Steve attended was a fuel tanker rollover on the corner of Jerilderie St and Oaklands Road which basically shut the town down from 8am to late afternoon, a HAZMAT incident in Balranald, which required four members to assist in clean-up, a bushfire at Whitfield and surrounding areas, a week long hay stack fire in Finley and numerous house fires. Steve's time with the Brigade and his experience with them have been rewarding and he has gained lifetime friendships with not only local members but also with members from other Brigades. The Brigade wished him well in the future and thank him for all the hard work he has done over the years. If anyone in the Community would like to find out about becoming a Brigade member, please speak to either Stuart Lee or Paul Head. K Senini.

MESSAGE FROM THE SECRETARY

As BDDA secretary, I get a lot of people talking to me about Berrigan, about how we can and should be drawing people here to visit or live, how we can and should improve on what is here and make this a great place for young and old. With this in mind and having had chats with various people and groups, I thought that we need to get the conversation rolling around how we as a community can better use our facilities and how we can support each others endeavours. For example, we have a few community groups using the Berrigan News to connect not only with their own members, but the community in general. Each month, they supply an article to let everyone know what has been happening and what will happen in their corner of Berrigan. It would be great if every Community group did this. A lot of new people have moved to town who don't necessarily know that what groups are here and there are even people (well, me) who don't know things like that there is a difference between the two fire stations in town. One is the Rural Fire Service and the other is NSW Fire and Rescue and they are two different things. To quote Bette Midler—I never knew.

There are buildings looking for tenants, businesses looking for premises, ideas for tourist attractions and organisations looking for homes/ meeting places.

I have floated a proposal in many parts to these groups, individuals and the Berrigan Shire who have come to me with ideas, suggestions or needs in the last 6 month. By getting a conversation started and working together, we as a Community should be able to get something off the ground and happening to help solve all these needs. *Continued Page 3*

From Pg 2 . None of this needs to be done in isolation or without support. Another example is the Shire's interest in "Projects" that they keep asking the Community to provide as there is funding available for a whole range of things from State and Federal Government. The BDDA has suggested instead of buildings that will only end up costing the Community in the long run, but for more usage out of what we already have. How can we improve on what is currently here. Would purposes be better served by relocating all the sporting activates to the one area, having one building housing five or six Community groups, what programs could be implemented in the short and long term to better help support and grow our community. It will be interesting to see with the coming change of Councillors and General Manager at the Berrigan Shire, what approach will be taken in the next few years and how well they manage to engage with the community that they say they represent. I have waffled on long enough! If you have any ideas, thoughts or would like to bring any ideas to the BDDA, drop in to the Bookshop for a chat or email; bddasecretary@gmail.com *CVB*

BDDA BUSINESS IN THE SPOTLIGHT
KILBURN REAL ESTATE

Karna has over 20 years of knowledge and professional experience in Real Estate, starting as a property manager in the year 2000 and then began in Sales with Ray White Echuca. After an offer from Landmark Rural Real Estate Echuca to join their team, Karna listed and sold many properties which included larger Rural Properties of Dairy Farms, Orchards, Grazing and Cropping as well as Residential sales. After studying her full Real Estate License at Swinburn University Melbourne, Karna started her own Real Estate business in Kyabram which she successfully managed for more than 10 years.

Originally from Gippsland where she grew up on a Dairy farm, she has always been heavily involved with Horses, including competing at many shows successfully and hunting with Melbourne Hunt Club with her husband.

They breed Stock Horses with great success as well as. Karna has showed and bred Poll Shorthorn cattle for some 30 years. Karna and husband Ricky also had their own business as Stock Agents, Auctioneers and clearing sale specialists in Dandenong and Gippsland. After selling their Stock Agent Business they decided to move to the Goulburn Valley to the warmer climate.

Karna started a Rental Property Business in Berrigan some three years ago and with her and husband Ricky, moved to Berrigan the year 2017. They have also become involved with the Berrigan Show Society.

Karna works her Real Estate business from home and has a window of listings at 30 Chanter Street, Berrigan.

In today's modern times the Internet is the key factor when you want to sell or buy Real Estate. Proof is in the pudding as they say, when Covid-19 hit, people still purchased properties from their home when everything closed. Listings are urgently needed now at Karna Kilburn Real Estate as so many people have moved to the Regional areas and properties have been selling as soon as they hit the Internet! Servicing Berrigan, Jerilderie, Oaklands and Finley NSW, whether your needs be Real Estate Sales or Managing your Rental Property, please give me a call for all your Real Estate requirements.

DOES BERRIGAN NEED A LAUNDROMAT?

The BDDA and the Berrigan News have been approached to gauge Community interest in the possibility of a Laundromat opening in the town. Recently a new laundromat opened in Tocumwal which has proven quite successful.
We have been asked to establish whether the community has a need for a laundromat and if the community would support such a business venture. We have also been asked what sort of equipment would be wanted - a commercial machine large enough to wash large items like blankets, perhaps a dog wash area? If you have any thoughts on this matter, please contact Cristina at either The Berrigan Bookshop or email bddasecretary@gmail.com or berrigannews@gmail.com *CVB*

BERRIGAN RACE CLUB

The Berrigan Race Club committee wish to remind financial members that their 2020-2021 membership is valid for the 2021-2022 racing season. This decision was taken because of Covid-19 and the disrupted 2020-2021 season. Any member unsure of their membership standing can contact the Race Club Treasurer on 0455253540. New members are invited to join using the PayPal system on the Race Club web site. www.berriganraceclub.com.au
Berrigan Cup marquee bookings are now open and information about upcoming race meetings and sponsorship is also available. *B Daly*

TIME IS RUNNING OUT!!

The Berrigan News and the BDDA will be changing how the Berrigan News is delivered to you, the reader. By August 2021, the News will be available either online, for collection or delivered on paid subscription.
Please send an email to **berrigannews@gmail.com** to be added to the email list, to register to receive the Berrigan News online. You will be able to access past editions of the Berrigan News and see it all in colour. If you already receive the News this way, you don't have to do anything.
The printed edition Berrigan News will be available at a few locations around town and these locations will be confirmed in the July Edition of the News. There will be a limited number of printed editions of the News available at the outlets.
To have the Berrigan News delivered to you, you will have to subscribe to the News, and pay a small subscription fee. You will need to fill in the form below and drop it into The Berrigan Bookshop to subscribe.
Subscriptions need to be in before the 20th of July 2021. This subscription will incur a small cost of $12.00 for 11 editions of the News (August, September, October, November, December 2021 and February, March, May, May, June, July 2022) to be delivered to your door. If you currently get your Berrigan News through roadside delivery/ or in your post office box, you will have to either register online or collect your News from the outlets.

BLAST FROM THE PAST

BERRIGAN DEAD OR ALIVE

To survive as a community with expectations of our current lifestyle we need to support our local businesses. These people require constant patronage or they will not be able to continue providing a service of the variety that we demand of their products.
Berrigan does not have a highway, river or railway line to attract a higher profile; whilst we enjoy the small town environment we seem to expect a larger towns services and goods. Most of our stores have extended hours, some more than nearby towns. How people can drive 30km thinking they are saving money on most items is beyond comprehension. Most times our prices are cheaper in Berrigan anyhow. In no way shape or form do most of us want the uniqueness of our community spoilt; this concept then puts pressure on all of us to pull together.
Our Lions Club, Historical Society and others do an amazing job in our community; however if people do not support each other the effort can be wasted.
The Berrigan and District Development Association (BDDA) was formed to help develop the town to a standard that people now aspire. For the BDDA to continue the whole town must contribute or any progression will wither and die. It is not there for the benefit of any individual, far from this. It is disappointing when people look for help only when imminent disaster is staring them in the face; we must work together to improve our facilities. Two examples of this were the retention of the Berrigan Shire plus the Golf and Bowling Club.
The BDDA is continuing to have dialogue with the Berrigan Shire on several matters including exhorbitant rates for certain parts of the town. We have regular meetings with the Shire to bring to their attention community matters; we cannot help people if they do not help themselves.
The BDDA represents the town in different scenarios to provide a better way of life for all concerned. We are looking for the participation of anyone concerned with the welfare of our whole area (this should be everyone). Surely an hour of people's time every two months is not too much to ask. How can we progress if we do not get community support?
We have new people in business in the town; these enterprises have given a fresh approach and are showing a great attitude. We must support them.
I implore people to participate in all facets of our towns goods and services for the benefit of our future generations.

PHILIP HANNA
President B.D.D.A.

"It is not the critic who counts, or the one who points out where the strong man stumbles or where the doer of deeds could have done better. The credit belongs to the man who is actually in the arena, whose face is marked by dust and sweat, who strives valiantly, who errs and may fall again, because there is no effort without error or short coming. It is the one who actually strives to do the deed, who knows the great enthusiasm, and who in the end knows the triumph of high achievement. At the worst, if he fails, at least he fails while daring greatly, so that his place is never with those cold and timid souls who know neither victory nor defeat."

Sound familiar? Thanks to Lorna Gray for finding this and bringing it to me.
I have found out that Philip Hanna was president of the BDDA in 2004/2005 which is a bit before my time. It's funny isn't it, how little things seem to change. The BDDA meet once a month instead of every two months and I would like to compare rates from then and now to see if that has changed at all over the intervening years. If you had of asked me, I would say that Berrigan is as it always was - a quite bustling little town of almost 1,000 people getting the job done.

The quote is from Theodore Roosevelt's "Citizenship in a Republic - The Man in the Arena" speech given in France in 1910. *CVB*

BERRIGAN RSL SUB-BRANCH NOW ONLINE

The Berrigan RSL Sub-Branch now has their own web site which includes information about the work of the RSL, its history and stories of members past and present. The web site is a work in progress and lots of memorabilia will be added in the weeks ahead. The web site address is www.berriganrsl.com.au and we would love for you to take a few minutes to visit our site.
Our Memorial Wall Project is nearing completion and we should soon be able to see the result of the last 5 years of work come to fruition in early June. An official opening will take place during November 2021 around Remembrance Day with extra special dignitaries in attendance. We are still accepting donations for the Memorial Wall Project and they can be made via the web site www.berriganrsl.com.au . Please contact RSL Treasurer Bill Daly (0455253540) for further information. Email berrigansb@rslnsw.org.au *B Daly*

THE FESTIVAL OF HALLS TOUR SUCCESS

On Wednesday the 21st of April the "Savernake School of Arts Hall" in conjunction with "Across the Arts Yarrawonga/Mulwala" hosted a musical performance by "The Festival of Small Halls" tour group.
It was indeed a very happy relaxed and enjoyable evening and a great pleasure to have such talent on the stage at Savernake once again.
The opening supporting act was Sienna Cox from the Yarrawonga P-12 College followed by " Bobby Alu" and "This Way North"
It was wonderful to have the lights on and a full house in the Hall again after the covid quiet. Also, a great opportunity to showcase our most recent acquisitions i.e. comfy chairs, air/con, dishwasher and probably the most noticeable on the night, the acoustic enhancement installation.
Of course, the evening ended on a high with the usual "yummy" country supper and chat! Altogether a most successful and good time was had by all.
So stay alert to the coming of the next "Knees-up" at Savernake - See You there!
Photos of the night are on page 10. *K Bruce*

BERRIGAN CWA

Our members attended the Anzac Day March. At our International Day, Berrigan Public School Year 6 students and Berrigan Children's Centre children came along. Lucy Pyle introduced the children with a Spanish welcome. The children gave a presentation on what they have learnt about Ecuador. They were treated to food that is popular in that country before returning to school. The new Country of Study is Malaysia. *Photos page 10*

We were very pleased with the outcome of the Mother's Day stall. Marnie Steer donated a painting which was won by Tish Gorman. May Hill donated a wooden bowl and Matt Hansen was the lucky winner.

The NSW State Conference has been held at Bega earlier this month. Although no one from our Branch attended, it was very well supported by members from across the State as last years' Conference was cancelled. There were many motions passed at the meeting. The CWA are keen to give support to the rural areas now being affected by the mouse plague. After nearly three years the Drought Assistance Fund ceased with over $19 million given in aid. *Cont. Page 13*

INTEREACH FAMILY DAY CARE IS NOW TAKING BOOKINGS FOR 2021

intereach

In small groups, children will enjoy a natural approach to play and discovery and form genuine bonds with their qualified and passionate early childhood educator.

You can enjoy peace of mind knowing that your child is happy in a nurturing, natural and flexible home learning environment.

Southern Riverina Physiotherapy

Neurological Physiotherapy

Alistair Clark, at Southern Riverina Physiotherapy has a passion for Neurological rehabilitation. Here we focus on the client's goals and work with the client to identify how Physio can help them achieve their desired outcomes.

Common Neurological conditions we treat are:

·Stroke, TIA.
·Parkinson's
·Cerebral palsy
·Acquired brain injury
·Multiple Sclerosis

This is achieved by using the International classification of functioning, disability, and health (also known as the ICF model). It is imperative that a comprehensive assessment is performed at this stage to identify bodily impairments and then compare how these impairments affect daily activities.

Southern Riverina Physiotherapy provides:

·A treatment plan based on the assessment and your goals.
·Retaining of locomotion and balance
·Strength and dexterity training.
·Recommendations on gait aids and when they may/may not be appropriate.

If you would like to discuss your personal circumstances, please call Alistair at Southern Riverina Physiotherapy (03) 58457050.

1980 & 2011 SENIOR PREMIERSHIP REUNIONS

Saturday 5th June

Invitations have been sent -email berriganfc@gmail for more information

From Page 8 The Finley Dementia Alliance Group is meeting in the CWA Rooms and is there for anyone who may like advice. All welcome to attend.
At last weeks' meeting we welcomed our guest speaker, Helen Christie. Helen has been in Victorian CWA for more than 50 years. She has held many positions, including State President. She told us of her involvement during that time and how much she has valued the experience and friendships she has made over the years.

We have been very saddened by the passing of members this year. Firstly, Joan Crew, a great scone maker and friend. More recently Marjorie Stevenson, Maree Ryan and Lori Andrew. Marjorie had a long association, serving as President as well as other positions. Maree was our Secretary, which she carried out with great competency, as she did with any other organisations in our community. Lori was also a great member for the time she was in Berrigan. Our sympathies have been extended to their families. *B Rendell*

A MESSAGE FROM BERRIGAN LHAC
HEALTH MATTERS

BERRIGAN HAS A NEW DOCTOR

By now, many of, you would be aware that we have a new doctor in town. Doctor Chandana commenced duties at the Madill Medical Centre on Tuesday 18th of May. I was fortunate to be able to meet the doctor before he commenced duties here in Berrigan. I found him to be a delightful friendly man with a very cheery nature and a good sense of humour. Dr Chandana has come to us from having been working as a GP in Condobolin for the last 14 months. Prior to that, the doctor was in Coonamble for approximately 7 1/2 years. Dr Chandana is a family man who has a wife and 16 year old daughter in Geelong and will be going home for a long weekend once a month. He also has two boys – the eldest working in the Mental Health field and the other son is finishing off university.
It was taking Dr Chandana 14.5 hrs to drive home from his previous places of employment so he is looking forward to only having to travel for 4 hours to get home. The doctor is very experienced GP who loves working in rural and remote areas. In fact, he was working in rural and remote areas in Sri Lanker prior to coming to Australia. Dr Chandana will also be looking after the hospital and the Amaroo Aged Care facility. He is looking forward to providing us with the medical care that we need. We are very lucky to have Dr Chandana here looking after us, so please make him welcome and support our local medical practice. *Photo Page 12.*

CANCER COUNCIL NSW COMMUNITY PATIENT TRANSPORT TO TREATMENT PROGRAM

One of the programmes that the Cancer Council support is the Patient Transport to Treatment programme. This programme is available to resident who live within 200kms of a major treatment centre, for example the Cancer Treatment Centre in Albury. If you are receiving treatment there then you are entitled to free transport to and from the Centre or to any other medical treatment directly related to your cancer treatment. To access this service you need to discuss it with your health professionals at the cancer centre. They will then make arrangements for you to be picked up and transported home again. Once the contact has been established then you deal directly with the patient transport people. I understand that there is a Cancer Council 'desk' open at the Albury Cancer Centre who can also help you arrange this service. *Cont Page 14*

ADVANCE CARE PLANNING

Further to my article on Advanced Care Planning last month, here is some more information. The Australian Digital Health Agency has recently uploaded a video on the YouTube channel on how to add an Advance Care Planning (ACP) document to My Health Record. Advance Care Plan details are future care preferences. If you are not confident in how to put your ACP document onto your MyHealth Record you can always contact Lorraine at the Madill Centre for help. It helps the family, carers and healthcare providers know the kinds of treatment and care the patients want if they can no longer speak for them or make their own decisions. To learn how to add an Advance Care Plan document to the My Health Record, watch this video.
For a complete and very informative guide about Advanced Care Planning, visit https://www.digitalhealth.gov.au/advance-care-planning

COMMUNITY CARE INTAKE – 1800 654 324

Should you require any of the following services please ring the Community care Intake number 1800 654 324. They will then direct you to where you can obtain the service you require:- General Counselling, Diabetic Educator, Palliative Care, Community Nurse, Alcohol and Drug Counselling, Child Health Services, Audiometry, Speech Therapist, Psychologist, Occupational Therapist, Specialist nurse, Nurse Practitioner and Cardio Rehabilitation.

HILLTOP PATIENT AND CARER ACCOMMODATION CENTRE

Hilltop Patient and Carer Accommodation Centre is managed by Fight Cancer Foundation and is an accommodation centre to house primarily "Cancer" patients and their carer who have to travel to Albury for their treatment. We also house patients/carer for other treatments such as Operative Procedures, Eye Procedures, Pre-Birth Couples, and much more, of course only if rooms are available.
To contact the centre please ring 0260 21 4874. All enquiries are welcome.
Pre-requisite to staying at Hilltop, is patients and their carer, but those patients without a carer and are able to care for themselves, and having treatment at the cancer centre, can to reside at Hilltop. Our facility is located just over 50 metres via a wheelchair friendly path to the Albury Base Hospital and the Albury Wodonga Cancer Centre. Staying at Hilltop relieves patients and carers of undue financial hardship and reduces the stress of having to undertake, sometimes daily, long distance travel to access treatment centres in Albury and Wodonga.

LHAC GOES ELECTRONIC WITH A FACEBOOK PAGE - Find us on facebook @yourLHAC and keep informed about health matters in our area.

WANTED - Your old Codd bottles (Marble Bottles), old Berrigan Bottles and old oil tins or oil paraphernalia. Good money paid. See Ben the Bootman at Berrigan Shoe Repairs

BERRIGAN RED CROSS CHEQUE AND CERTIFICATE PRESENTATIONS

The 12th Annual Berrigan Red Cross Extravaganza was held during the Festival of Music on Chanter. This year, just over $8,500 was raised, with Friday night proceeds, $5,360, going to Learner Driver Mentor Program in the Greater Western Region and Saturday's proceeds, $3,177, going to Hilltop Patient and Carer Accommodation Centre in Albury. On Tuesday 18th May, Berrigan Red Cross hosted a morning tea for the Berrigan Men's Shed to say thank you for their continued support of the branch's Fashion Extravaganza.

During the morning, Certificates of Appreciation were hand over by President Mrs Marion Dickins to Berrigan Men's Shed and Dawmac Industries, with John and Paul Lane in attendance. A cheque presentation was made to Fight Cancer Foundation for $3,177 for Stage II of the Hilltop Patient and Carer Accommodation Centre in Albury. Ms Helen Murray, Hilltop Manager and Ms Alice Glachan, Capital Fundraising Campaign Director attended the morning tea to accept the cheque on behalf of Fight Cancer Foundation.

After morning tea, Ms Glachan gave a comprehensive update on Hilltop and Stage II. In 2013, the Fight Cancer Foundation opened the doors of its third patient accommodation centre, this time located in Albury Wodonga and named Hilltop. Hilltop provides people receiving treatment for cancer and their carers with comfortable accommodation just 50 metres from the Albury Base Hospital and Albury Wodonga Regional Cancer Centre.

Hilltop presently has 20 specialist rooms, each with private bathroom, communal lounges and children play areas, which can offer 7,300 nights of accommodation per annum. Building a purpose-built facility gave the community a safe, comfortable and welcoming home away from home for those who needed it most. From March 2018 to February 2020, 3421 room nights have been used by Berrigan Shire residents. Some overnight and others weekly for up to six weeks.

As demand for accommodation close to Albury Base Hospital and Albury Wodonga Regional Cancer Centre has steadily increased and to meet this demand, Fight Cancer Foundation is expanding its services at Hilltop – Stage II.

An additional 10 accommodation units, additional communal spaces and other guest facilities will be part of the expansion which will increase the capacity of this unique and vital service by 3,650 guest nights each year.

The much-needed expansion will cost approximately $3.8 million. In March 2019, Fight Cancer Foundation was thrilled to receive a $1.9 million grant from the Federal Government's 'Building Better Regions Fund'.

Fight Cancer Foundation has committed $1.1 million to this project, leaving $1 million to raise from the community. Our project partners, Rotary Club of Albury North, Lions District 201V6 and the Zonta Club of Albury Wodonga will be instrumental in helping achieve this goal.

For more information and donations please contact Alice Glachan, Capital Fundraising Campaign Director, Fight Cancer Foundation **alice.glachan@fightcancer.org.au**

A photo of the morning's activities is on page 10. *L Horne*

BERRIGAN COMMUNITY GARDEN

Welcome Wayne & Lyn who have bought Rev Val's house, we hope you are settling in well. It's nice to know your new neighbours.
At the Community Garden, we still have beautiful fresh beans, turnips, leeks, capsicum, eggplant, silver beet and there may even be broccoli ready. Come and collect some fresh veg for your dinner!
Are your rhubarb stems staying green, stressing? Now is the time to separate them and plant in a new bed with plenty of compost soil. June is also the month to cut your salvia's back to or near ground level, don't be frightened, they will come back bigger and better for their next flowering. Good time also to strike a few cuttings. Try your luck.
Thank you to Dawmac Industries for organising a new tank, which may even be installed now. On the 6th June at 9am, there will be a Working Bee at the Old Rec Grounds near the Berrigan Public School, held by the Berrigan Conservation & Tidy Town Committee. Would love to see as many people there as possible. Please bring your own gloves, water bottle and enthusiasm!
We here at the Community Garden would love to see some new members to share their ideas with us. Come along Wednesday 1.30pm or Saturday around 9-9.30 am. We finish up with a hot cuppa on Saturdays and a friendly chat around the fire on these now cold mornings. Happy Gardening. *Clara Way.*

AUSTRALIAN MENS SHED ASSOCIATION

"MEN DON'T TALK FACE TO FACE, THEY TALK SHOULDER TO SHOULDER"

Greetings from the Shedders.
May has seen a hive of additional agricultural activity with plenty of machinery making dust around the shire. The shedders have also been busy on the woodwork and metalwork areas of the shed and some special corrugated iron creations.
Our supply of garden beds is extensive and all gardeners are invited to inspect and purchase these items.
The highlight of the month was the morning tea and cheque presentation by Berrigan Red Cross held at the Shed on Tuesday 18th May. Shed members gathered for a 10am sit down with catering by Red Cross members. A delicious selection of cakes, slices and scones were consumed with delight by all attendees, followed by presentation of a certificate of appreciation to the Men's Shed for their support of the Red Cross Extravaganza weekend, which was received with acclamation by members. Berrigan Red Cross invited special guests Alice Glachan and Helen Murray from the Hilltop Accommodation Centre to accept a donation of $3,177 towards the Stage II Development of accommodation units. Photos page 10.
The May general meeting of members discussed a proposal from the secretary of the BDDA for the relocation of various intuitions and businesses within Berrigan Township including a proposal to relocate the Mens Shed from the main street. Members voted against this proposal however await further development in this space with interest. Until next time happy Shedding.
Myles Humphries Secretary, Berrigan Men's Shed Inc.

AMAROO AUXILIARY SUCCESS

Amaroo Aged Care Auxiliary held a very successful Garden Walk on Saturday the 20th of March. Big Thankyou to Bernie Evans "Asgard Haven" for showing your beautiful and interesting garden to all. You had to walk around it more than once to be able to take it all in. Visitors came from all surrounding towns which was wonderful, and their comments were very favourable. Thankyou for all your support and to the workers who helped to make it all happen. A special thankyou to the two residents from Amaroo who, at 8am Saturday, were in the meeting room to jam and cream the scones for us. Your help was very much appreciated. The winner of the lucky gate ticket was Dawn Walkerden and the Plant was won by Karen Senini.

On Thursday 13th May, the Amaroo Auxiliary held what was to be Blumes Morning Tea. This was cancelled at the last minute, so Sue took matters in hand and organised for David Rockliff to come and entertain all instead. A beautiful Devonshire Tea was had by all and everyone joined in with David's singalong to make it a very enjoyable morning. Thankyou David for your time and willingness to help out at short notice. Clare Harvey won the raffle a Knee Rug, (donated by Karen Senini, with many thanks from the Auxiliary). The auxiliary raised $200 for the morning, with all proceeds go to equipment for the Hostel. *Clara Way*

FROM THE MUSEUM - FARMING INGENUITY

I was talking to Ian Arnold a couple of weeks ago and he was reminiscing about his schooldays. In 1940-1941, after irrigation began in the district and farm labour was scarce because of World War 2, his father Jack and uncle Ray Arnold shared some of their farming machinery. Their farms were about 7 miles apart, with the Green Swamp Road School halfway between. To move machinery from one farm to the other they made use of the fact that their children attended the school.

When Ray needed one of the machines he would ring Jack, and in the morning Jack would attach it with a hook to the axle of the spring cart that Ian drove to school. Ian remembers going to school towing a grader, and at other times a delver with a single furrow plough tied on top. The delver had little wheels attached for moving it around. The horse was usually a light draught.

On arrival, the teacher, Mr. Schipp, would get under and unhook the machine, then when Jeff and Nancy left for home in the afternoon he would hook it on to their cart's axle. Mr. Schipp was very interested in the district and would sometimes help on farms on weekends. It must have been an interesting sight - a horse and cart, driven by a 10 year old boy, with a large grader or a delver, trundling along behind. Little stories like this need to be preserved because they give us an insight into how things were done years ago. *Marnie Steer*

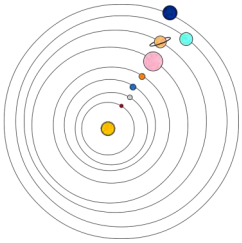
National Simultaneous Storytime

Berrigan Library hosted a National Simultaneous Storytime event on Wednesday the 19th of May, with a wonderful turnout from the Berrigan Public School K/1 Students and the Children's Centre. This year's story was "Give Me Some Space!" by Philip Bunting .The children all enjoyed learning about space and the solar system, decorating their own "planets" to create a solar system display for the Library.



New Release Books

Maggie Shipstead – Great Circle

Spanning Prohibition-era Montana, the Pacific Northwest, Alaska, New Zealand, wartime London, and modern day Los Angeles, Great Circle tells the unforgettable story of a daredevil female aviator determined to chart her own course in life, at any cost.

Karly Lane – Take Me Home

When Elle Kinnaird takes the plunge and travels from her rural small-town life to the misty legends of her ancestors in the Scottish highlands, she finds that it's a big world after all. A heart-warming novel about new beginnings, from the bestselling author of Fool Me Once.

"Woodstock" by Jennifer Congdon Book Launch

Berrigan Library is hosting Jennifer Congdon's Book Launch for "Woodstock – Farm, Food, and Family" on Thursday 17th of June at 4.00pm. Afternoon Tea and Coffee will be provided and an opportunity to purchase the books and get them signed. All are welcome.

School Holiday Program

Come join us at the Berrigan Library these school holidays and have fun designing and creating your own Masterpiece with Mod Rock Sculpture. The program will be held at 10.30am Thursday 1st & 8th of July.
