BIGGEST MORNING TEA SUCCESS!

What a great day we had for the Berrigan " Cancer Council's Biggest Morning Tea" held on July 5th at the Berrigan Community Golf and Bowling Club.

Thank you to all people who helped set up, serve, cook, clean up, and do any job asked.

The Berrigan Community again supported the day enormously. We have raised $4000.70 which is amazing, but not surprising.

We were able to organise this in a very short time. We were only called to see if we were doing anything three weeks before the event.

So a huge thanks to the volunteers who came forward to help.

A big thank you to all the businesses who donated to our raffle and lucky door prizes.

The lucky winner of the 1st prize for a night's accommodation at Rich River Resort was won by Steve Zellar. Congratulations!

That it is Better in Berrigan has again been proved. Thanks again to our great Community.

Janice Graham, BC Golf and Bowling Club .

"MEN DON'T TALK FACE TO FACE, THEY TALK SHOULDER TO SHOULDER"

Open Tuesday & Thursday 9am - 12 Midday

25 Chanter Street Berrigan - All Welcome !
Restoration, Repairs and Sales of Furniture,
Above Ground Garden Beds

The return of the warmer weather will ensure the winter cereal crops jump away for another bumper season around Berrigan. It's been too cool for a few shed members that ring up from places north of the NSW border to advise of day time temperatures of 20 deg and more just to keep us in the cold.

Garden Bed production has been unceasing with demand still outstripping supply and thanks to a rather forward thinking member, supplies of corrugated iron have been refurbished. However the shed is seeking 8ft X 27" sheets of corrugated iron to assist with the manufacture of the beds. Members will pick up any donated sheets within the shire boundary. ALL donations will be gratefully accepted. Please contact the Secretary (Myles) on 0419 522 740 for pick-up of iron.

The photos (right) are an example of stocks of garden beds which have been sold and the hard working shed members quite expert in the assembly of said beds.

A reminder that our ANNUAL GENERAL MEETING will be our AUGUST meeting and committee members are required to nominate for position to ensure the ongoing operation of the shed.

Finally, please ensure that members ensure their ongoing health by avoiding the dreaded COVID 19 virus which is out and about with good hand hygiene, social distancing and having masks handy. Supplies of Rapid Antigen Test Kits are available locally.

Until Next Time – HAPPY SHEDDING

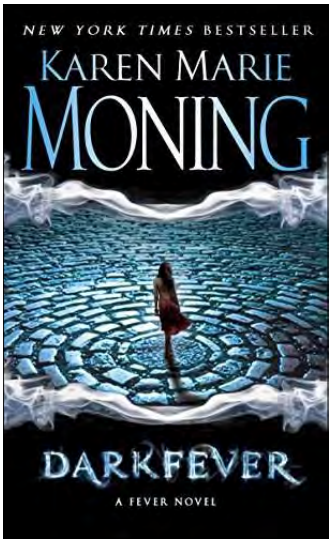
BERRIGAN BOOKSHOP REPORT

And another month has rolled around too quick! I don't feel like we have gotten any further along with the work at the shop. Occasionally, it feels like we have caught up with the backlog, however, we always seem to be surrounded by books...

I have been reading the last three books in the JR Ward Black Dagger Brotherhood series - A Warm Heart in Winter (finished), Lover Unveiled (interrupted by having to do the Berrigan News, drat it) and Lover Arisen (sitting there just waiting for me) before the next one, Lassiter, comes out in April 2023. Good thing that there are a few other books in spin off series to keep me busy reading until then. Because you know, Vampires and paranormal romance, what's not to love…

However, I was also asked lately if the **Karen Marie Moning - u**rban fantasy series **FEVER** was any good. Starting with book one, **Darkfever**, this is an 11 book series full of Tuatha de Danann, or Fae, dark mysterious men, powerful sidhe-seers … and either a library or bookshop. I think. Been a while since I've read these and I only got as far as book 7 - Burned, which was released in 2015, but I do remember that I did enjoy them.

MacKayla Lane's life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks…until something extraordinary happens.
When her sister is murdered, leaving a single clue to her death - a cryptic message on Mac's cell phone - Mac journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed - a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae…. As Mac delves deeper into the mystery of her sister's death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane - an alpha Fae - closes in on her. And as the boundary between worlds begins to crumble, Mac's true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book - because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands….



And I think now is a really great time to be reading about magical creatures taking over the world. Urban Fantasy is a genre that uses a lot of imagination and myth to make the real world collide with the supernatural or magical world. Such great stuff!
Keep Reading, Cristina

The Bowls committee are looking to start Bare Foot Bowls and are looking to have spare bowls for those who would like to play.
If you have bowls in your cupboard that you no longer use or you have updated to a new set, the club would appreciate a donation to help get the competition started.
Barefoot Bowls is an easy, relatively low impact sport and is also great way to have fun in a social and relaxed atmosphere. The object of getting the bowl as close to the jack by working out how to roll the weighted bowl may look impossible at first, but skills can be learned with a lot of fun along the way. Keep an eye out for the start of the next competition.

BERRIGAN RED CROSS BRANCH REPORT

Berrigan Branch held their AGM 20th July. The Divisional Board member and Regional Representative Valmae Ryan along with the deputy Gillian Gorey from Albury were welcomed by President Marion Dickins.

Marion presented her report of Branch past year activities -

*Our Branch run shop continues to be a great asset to ARC and the Berrigan and surrounding communities. We are currently open Mon to Fri 9:30 am to 3:30 pm and Sat 10:30 am to 12:30 pm. There are currently 34 volunteers, from Berrigan, Oaklands and Finley who assist from 3 hours to 16 hours a week. The shop supports Centrelink and employment agencies with New Start clients.

*Our main fundraiser is the shop. This year we achieved the best result in its 53 year history with annual turnover of $50,223.30 with net $33,386.10 profit during the elven month trading period.

*Honour stamps totalled $ 49,671.53.

*The Branch has 75 members.

*A branch member was able to visit Amaroo Aged Care and Berrigan MPS for 2021 Christmas Cheers.

*Berrigan Red Cross donated a library book to Berrigan Public School and Berrigan Children's Centre in Term 4 2021 but were unable to attend Presentation Nights due to COVID-19.

*Branch meeting returned in February 2021. From July 2020 meetings were all cancelled due to meeting room been needed by the shop for quarantining the donated goods for 72 hours before sorting and Berrigan Library was also unavailable due to restrictions.

*Our 13th Annual Fashion Extravaganza fundraiser held in conjunction with the Berrigan Market Night over the first weekend in December and was a great success, with it being our third highest profit over 13 years. We sorted 43 boxes of clothing donated from boutiques in Bendigo, Canberra and Melbourne. A total of 282-man hours ensured a fabulous result. We couldn't run the event without our very dedicated volunteers, Berrigan Menshed and Dawmac Industries who donated their venue for us to use over the three days. This year $8832.84 was raised for ARC Humanitarian Settlement Program, and $2940.84 went to the Tonga International Disaster Fund. An additional $4609.64 was donated to Berrigan War Memorial Swimming Pool Committee to ensure subsided entry can continue for all who use the facility.

*Anzac Day 2022, members marched in the procession to the Berrigan Soldiers Memorial Hall, where wreaths were laid. It was wonderful to be able to attend a moving ceremony in the in War Memorial Hall.

*Member Leila Batten was presented with the Laurel Wreath in recognition for 50 years of membership of Australian Red Cross in Berrigan at our Zone 29 Conference held in May 2022 at Jerilderie. Leila's involvement includes Publicity Officer and Merchandise Officer for 14 years, Branch President for many years, Shop Coordinator and she was integral in setting up the Cosmetic Carer Group, providing a "Hands On" service to Day Care attendees and Hospital patients. Leila also received a Distinguished Service Award in 2014.

*We have been able to resume our three street stalls a year and government election stalls which raise funds for ARC services, appeals, and programs.

*After a request from Valmae Ryan, our Zone 7 Representative during June, 6 very large boxes of surplus single and double sheets sets, doona covers and mattress protectors were donated to the Humanitarian Support Program based in Albury. They will be used by the program who sets up homes for the refugees that are resettling in Australia.

*We continue to work with St Vincent De Paul by emptying their clothing bin and in turn St Vincent De Paul collects our surplus clothing plus the clothing etc our volunteers empty from the St Vinnies bin. This year the volunteers packed up 158 bags and 3 boxes of Red Cross donated items (which we could not use) along with 197 bags and 10 boxes packed from the St Vinnies donation bid. All collected by the St Vinnies team.

*The Berrigan/Tocumwal Emergency Services team is lead by Josie Cusack.

*Trauma Teddies for the Berrigan/Tocumwal ES are knitted by Margaret

*Ian and Inara are actively involved in the distribution of food parcel supplied by Moira Food Share.

In closing Marion acknowledged the commitment of Lyndall and Pauline plus all the wonderful volunteers.

Awards were presented by Valmae Ryan to Inara Fox and Catherine Spunner, 15 yr certificate (collected by Thelma Ryan)

FROM THE MUSEUM - GENTLEMAN JOHN JONES

John Jones was born in Wales and came to Australia when he was only 2 years old. He grew up in Bendigo and married in 1873. In 1878 he selected land at Yarroweyah on what was then Cobram Station. During his time there he became involved in pressing for the extension of the rail line to Cobram from Numurkah. He moved with his large family to Berrigan in 1888, purchasing Pine Hill and Lindoola. Lindoola was subsequently merged with the property owned by Mr. Dickie. Very little cultivation had been done on Pine Hill and he worked hard to make it one of the most highly improved properties in the district. There was a well on Pine Hill and farmers came from miles around to get water from it. Jones was recognised as a very progressive farmer, but he was also a great worker in the community and a leading light in public affairs. He was amongst those instrumental in securing the railway line from Jerilderie to Finley, and was Berrigan's first Justice of the Peace. He was also one of the first secretaries of the Berrigan Show and was president for some time during the 1890s. In 1912, he purchased Erindale after selling Pine Hill to J.Baxter at a then record price for land in the district. Jones remained on Erindale until he retired in 1924 and went to live in Elsternwick, Victoria. He died in 1928, and his obituary described him "*as a man of excellent character, honest, courageous, charitable and just, and as such, earned the highest respect and esteem of all with whom he came in contact.*" In Berrigan, John Jones was known as Gentleman John Jones because he always wore a collar and tie, regardless of the weather and the work. One of his daughters, Agnes, married Robert Wardrop, who ran "The Berrigan Advocate". M Steer

We certainly know that we are in the middle of winter. Some of the recent temperatures have been quite low. But, it is winter, and so we should expect these cold temperatures.

THANK YOU TO OUR CARERS -

The Berrigan LHAC, on behalf of the residents of Berrigan, arranged for a 'thank you' to all the staff of the Berrigan Hospital, Amaroo Aged Care facility and the Medical Centre. Each staff member was given a voucher to have a coffee and cake at Carter & Co. The initiative was supported financially by the Murrumbidgee Local Health District. It is a token to show the appreciation of all of us for all their hard work and dedication to the health of the Berrigan community over the last couple of very trying years. Well done all! A big thanks to Jessica at Carter & Co. for coming on board and supporting this initiative. **PHOTO PAGE 1** some of the staff at the Berrigan Hospital with their vouchers

COVID19

Residents will no doubt be aware that Covid19 is again amongst us with the third Omicron wave well on the way and we are not exempt from it in our town. Medical officers are telling us the best way to protect ourselves is to get vaccinated. If you have not had your 2 vaccination needles, please make arrangements to get them. If you have already had the initial 2 needles, then they are recommending the 3rd and 4th boosters. These vaccinations can be arranged through the Madill Medical Centre. Additionally, whilst they are not at this stage mandating the wearing of masks, they are strongly recommending they be worn in areas where you cannot social distance. Whilst we have been relatively free of influenza over the last couple of years it has come back with a vengeance this year. Apparently you can get both Covid and the flu together and it can be very debilitating. So, medical authorities are recommending that residents consider getting an influenza vaccination to prevent or reduce the severity of getting the flu.

Members of the Southern Riverina Vehicle and Machinery Club are looking forward to great turnout at the Finley Show n Shine in September. It should be a great day out with lots of cars, bikes, trucks and other vehicles to see as well as live music and a swap meet. Put the date in your diary, and head on over to the Finley Showgrounds for a fun day out.

NOW FROM THE GARDEN

The Government Tank Paddock is a place to take a walk and see all the vegetation. The trees which were planted three years ago now can be seen growing well. Some of the history of the area can be seen where the legs still stand from the old tank stand for water supply and the troughs for stock to have a drink. In years gone by, this area was the Berrigan Commons. In the last few years, the Berrigan Conservation & Tidy Town Committee has taken this area on as a project for the Berrigan Community to enjoy. It is well worth a stroll around the Tank Paddock (at the Cobram End of Jerilderie Street for those who are new to the area).

The Community Garden is also looking a picture even at this time of the year. We have new gardens being established and some vegetables growing. We are just waiting for the warmer weather to grow some more vegetables. Don't forget that the $5 12 months membership fee is now due, so please give so we can grow. If you would like to know more about the Berrigan Conservation Group, Tidy Towns or the Community Gardens, please come to our Committee Meeting which is held at 7pm on the 2nd Wednesday of Month at RSL Heritage Museum Meeting Room. Alternatively the Community Garden Group meets at 1.30pm Wednesday & 9.30am Saturday. The 1st Sunday in Month is Rubbish Pick Up Morning with the group meeting at Hayes Park at around 9am. Newbies Welcome! C Way

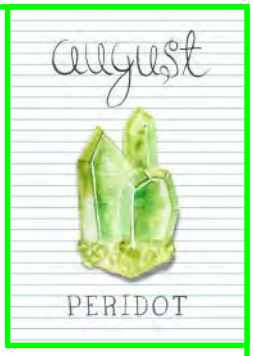
August



a word that means "inspiring reverence or admiration" is the name of the eighth month of the Gregorian calendar.
August's primary birthstone is Peridot, which is said to symbolise strength and healing power, protecting its wearer from nightmares and evil, ensuring harmony. Spinel, which fosters the spirit of appreciation and gratitude, and Sardoynx, which vitalize the owner's energy are also birthstones relating to August... www.dictionary.com
