Berrigan Primary School Colour Run

On 11 April the Berrigan Public School P&C held our School Fun Run, also known as the Colour Run. The first of its kind held at BPS, the students, joined by kids of the Berrigan Children's Centre, ran through a designated obstacle course sporting white tshirts while being blasted with colour at various points by parents and family, who in a twist of irony were happy to have their kids get their white clothes as messy as possible!

The event was topped off with the judging of the Chase the Cheetah colouring in competition and the all important dumping of a bucket of slime each onto five lucky recipients being; our teachers, P&C representatives and our very impressed Principal, Mrs Dore. Each bucket of slime marked a $2000 milestone in fundraising, with the total amount raised at the end of the event being just over $12,000. The kids had a wonderful time and are looking forward to the next School Fun Run and the BPS P&C send a very big thank you to all who have kindly donated. It is a brilliant fundraising result for the start of the year and will go a long way in helping to support our wonderful school.

Remembering Gwen Chisholm OAM

On Monday the 10th of June 2024, The Governor General of the Commonwealth of Australia, His Excellency General The Honourable David Hurley AC CVO DSC FTSE, awarded Mrs Gwendoline May Chisholm with a Medal of the Order of Australia for service to the community of Berrigan.

This is the same award her late husband Brian Chisholm was awarded in 2023. Brian and Gwen served over 60 years in various positions at the Berrigan Football, Netball and Cricket clubs. Most notably, Gwen's afternoon teas, with delights such as peppermint slice, mars bar slice, and cheese and celery filled sandwiches, were a favorite for all spectators at the oval.

Gwen was in her teens when she joined the Berrigan Football Netball Club Ladies Auxiliary in 1964, where she would go on to be President and Treasurer. Mrs Chisholm received life membership from both clubs in 1993, but continued on in her roles until 2018.
Gwen's commitment to the community was given for a variety of reasons. Football was always very big within her family. Her dad, Jim Clements, played for Berrigan Football Club and her brother Bill went on to play for Richmond when he was in his 20s. However, maintaining that one of the most important duties in her life was to give back to the local community, she once told the SRN, "my belief is, and always has been to participate, not specifically to win or lose." Gwen's award acknowledges his tireless devotion to sport within this town.
Gwen passed away peacefully on the 21st of January 2025, returning to the arms of her loving husband, Brian. One example of Brian and Gwen's work was their pride and dedication to organising the construction, and ensuring the immaculate presentation of the new clubrooms at the sports ground, which now stand as a remembrance to them.

Whilst forever remembered by her family, the significance of her life reminds Berrigan that it has lost one of its great contributors. Gwen's example should forever be remembered by all who participate in the sporting community within Berrigan.

Gwen and husband Brian Chisholm OAM outside the Berrigan Sports Ground (2018)

Gwen receiving life membership to the Berrigan Football Club (1993)

Gwen winning the Murray League Belle of Belles Competition, with dance partner Jack McGrillen (1961)

Berrigan Lions Club

At the March meeting of our Club Executive for the 25/26 year:

Nan Dart - President
Kurt Bauer - Secretary
Bruce Rendell - Treasurer
Neal Gorman - Projects

Berrigan Lions Club is just a small tooth in a very large cog known as Lions Australia, but we play a very important role in contributing to the overall picture of activities. Some of these activities in our Club include collecting and recycling old batteries. Income from this are used as funds for distribution to help Lions projects and our local community.

Recently, $1,000 has been donated to the local Swimming Pool Committee, $1,000 has been donated to the Australian Lions Foundation Disaster Appeal for flood victims, $1,000 has been donated to 201 V6 Foundation which is our District (V6) to help in disasters in our district. If there is a need in our area we can call upon this Foundation for assistance.

Lions man the gates at The Berrigan Gold Cup races and the Berrigan Agricultural Show. We can do some catering with our BBQ trailer along with Lions Mints and Christmas cakes as well as maintaining the cemetery.

We also support our local Primary and Secondary Schools and produce the annual calendar, as well as support Moira Food Share. With WHS regulations we were limited to what we used to do in the past.

For the past 29 years the Lions have cooked the breakfast at the DAWMAC free Christmas breakfast in Chanter Street feeding over 100 people each year and a big thank you to John and his staff for doing this. We also cater for the BBQ at the Children's Centre Christmas Party. Our BBQ trailer is always ready in case of any emergencies.

When the Berrigan Lions were chartered in August 1973, there were 56 members which was a record at the time. Currently, we have 7 members raising finances to distribute as seen fit. We are limited to what we can achieve but are very committed.

Berrigan Lions meet every 3rd Wednesday of the month at The Federal Hotel 7pm for a 7.30pm start.

Australian Red Cross

AUSTRALIAN MEN'S SHED ASSOCIATION

Shoulder to Shoulder

Berrigan Red Cross members recently held a special morning tea for the members of Berrigan Men's Shed in recognition of their invaluable support with preparation and cleanup of the annual Red Cross Extravaganza.

Thirty-five attendees enjoyed the morning tea followed by President Ian Dickins, of the Men's Shed, welcoming all to the Shed and presenting Hospital Auxiliary President Marney Dalgliesh with a cheque of $1000 to go towards the new bed the Auxiliary is providing the hospital.

Lyndall Horne Marney Dalgliesh, Marion Dickins

Red Cross President Marion Dickins then presented a certificate of appreciation to the Men's Shed executive and to Dawmac Industries.

Lyndall Horne presented the Hospital Auxiliary President Marney Dalgliesh with a cheque, being the proceeds of the Saturday morning Extravaganza. Since its inception in 2009 the Extravaganza has raised $173,378. $38,194 has been given locally in support of, Soldiers Memorial Hall, Can Assist, Hilltop Accommodation, Coota Hay Runners, Finley Regional Care, Berrigan Hospital, Amaroo aged care, Berrigan Swimming Pool.

Myles Humphry, Les Dart, Ian Dickins, Marion Dickins and Lyndall Horne

'A remarkable effort from a small community.'

Men's Shed President, Ian Dickins presented Marney Dalgliesh, president of the Hospital Auxiliary with a cheque of $1,000.

"The beauty and productivity of working together for the greater good"

NURSE PERIS - 50 years on...

It was 50 years ago 21st April 1975, that I stepped out of the comfort of my parent's home to embark on my life journey - as an Australian trained Registered Nurse!

At age 19+ you don't think about your future. I didn't see what I was in for!! As a young girl, I enjoyed my training at Concord Hospital! After my training at Concord Hospital, I stayed on, to specialize in Coronary Care nursing and I was 2nd in charge of the Cardiac Ward and CCU (Coronary Care Unit) until I had to leave on Maternity leave in 1982. That was a very sad day for me having to resign from Concord Hospital, when I gave her the resignation letter to the matron, she looked at it and said "NO, you are not leaving us" – and I burst in to tears.

From 1983 I worked in Liverpool Hospital ICU (Intensive Care Unit) when it was only a temporary building. I worked with some amazing staff there as well. From 1986 I worked in Campbelltown ICU for over 15years and did a few major Health outcome projects and was in-charge of ICU for a short time. I specialized in Intensive Care Nursing and later on in Advanced Resuscitation Nursing as well as in Aeromedical Retrievals!

Looking back now, I feel so blessed to have had the opportunity to meet some lovely people, work with excellent doctors, nurses and health care staff. Over the years, I have saved lives, touched people's hearts, made a difference to so many people's lives.

One of best Nursing positions I ever held was as the Head Nurse at the Garvan Institute of Medical Research in Darlinghurst - Sydney - in the Pituitary Research Unit.

My journey as a nurse wasn't without challenges, adversities, heart aches and tears,
Yet, I always loved and cared for my patients, specially the War Veterans - from World War 2. I still remember Bob, who was 80yrs old, and I was only 20, a very junior nurse. I had to dress his wound one day due to not having enough senior nurses (junior nurses didn't do dressings those days!). After I did his dressing, he went up to the Sister-in-charge and said, "I want Nurse Peris to do my dressing from now on" - And those days - War vet's requests were respected. I did his dressing twice/day - even on my days off, for a few months. 'Above and beyond the call of duty'! Which we did those days, without a question. One day Bob told me, that he was feeling so depressed and was thinking of jumping off the balcony the day before he met me. You never know how you can change a person's life. That was amazing. He encouraged me to stay as a nurse! He said I saved his life!

I have also worked in Finley, Tocumwal, Jerilderie and Berrigan health services. since I moved to Berrigan in 2012.

I take this opportunity to thank all those who shared my journey as a nurse, those friendships I still treasure, doctors, nurses and patients who crossed my path – I love you all.

I enjoyed my journey as an Australian trained Intensive care nurse, with utmost dedication and professionalism, and delivered the best nursing care I was trained to deliver. I was once told by a manager “Angela, we will never employ you here in the country hospitals, because your standard is too high” - I accepted it as a compliment – Thank you.

Written by Angela Peris

Berrigan CWA

Three Berrigan members and one Murray Hut member attended Oaklands CWA Dinner. An enjoyable evening with a meal, raffles and Guest Speaker Robin Haberecht. Robin kept everyone enthralled by her life story beginning as a registered nurse to her recent appointment as CEO of Yarrawonga Health. Robin spent nine years as CEO of Calvary Hospital Wagga and was the instigator of Urana Multi Purpose Service.

Members attended Murray Group Handicraft and Land Cookery day at Holbrook. Berrigan Branch won the eight articles entry. In the Land Cookery sections Lyndall Horne received four 1st awards for her Coconut Loaf, Gluten free Bean Cake, Tomato Jam and Pineapple and Onion Relish. Lyndall received two 2nds and one 3rd award. Lyndall will be competing at the NSW State Conference in Wagga in May and we wish her well. Gwenda McNamara came 2nd for her chocolate cake. There were three guest speakers on the day, all were interesting.

At the recent Berrigan Library guest speaker morning, ladies were served morning tea by our members.

Writtten by Elizabeth Rendell

BERRIGAN HEALTH MATTERS *LHAC*

Wow, the year is getting away, it is already heading for May. Where has the year gone so far?

INFLUENZA SEASON

With approach of winter, it is time for those who get the Influenza immunisation to start making arrangements to get the needle. You can make arrangements with the local medical practice or see your GP or Pharmacy. They will assist you. Australia is expecting the flu season to be a bit heavier this year following what they have experienced in the Northern hemisphere. So, get prepared particularly the elderly.

MOSQUITO ALERT

There have been a number of people testing positive to mosquito-borne diseases across the Murrumbidgee region. With the weather staying warmer mosquitoes are still around. Residents should take care if they are outside particularly in the early morning or the evening and take precautions such as covering up and/or using mosquito repellent.

ADVANCED CARE DIRECTIVES

Your LHAC is gearing up to run some Advanced Care Directive awareness sessions in our area over the next few months. We will keep you informed as we proceed as to when and where the sessions will be held.

Don't leave your loved ones guessing.....By making an Advanced Care Directive, you can decide on the health care you'd want to receive in the event you become seriously ill or injured and unable to speak for yourself.

An Advanced Care Directive is an important document to ensure that your wishes are carried out. It takes pressure off your family and loved ones knowing your wishes and having them down in writing beforehand. Whilst it may be a difficult topic to address it should be addressed and discussed with your family. If you have been in hospital then you will know that they ask for a copy of your Advanced Care Directive if you have one. I believe the Ambulance will also ask you if you have one.

An Advance Care Directive can only be made by you as an adult with decision-making capacity. Your legally appointed guardian or person responsible cannot override your Advance Care Directive.

BERRIGAN LOCAL HEALTH ADVISORY COMMITTEE

We are desperately seeking Berrigan residents to join the committee and make a difference to the health and welfare of all Berrigan Residents. We meet once a month and are open to changing the time and day of the month to suit the majority of members. Currently we meet on the 1st Monday of each month at 4pm at the Berrigan MPS (hospital). If you are interested, please contact Tony Taylor and I will put you in touch with the relevant MLHD representative to sort out an application.

I hope you all had a safe and great Easter break.
Until next time stay healthy and stay safe.

Tony Taylor
Chair, Local Health Advisory Committee
Berrigan Phn 0429 004 292
squizzyt@westnet.com.au

Easter Egg Hunt

Everybody had a wonderful time at the Easter Egg Hunt in Apex Park on Easter Saturday, Easter Bunny himself appeared and helped the children find the Easter eggs. There were about 80 children and their families, it was amazing! The Berrigan Rural Fire Brigade were brilliant, not only doing a BBQ but let the children explore the fire truck and use the water hose too! We also had a surprise visit by the Berrigan Paramedics who showed the children their ambulance and joined in with the races, you're both awesome ladies!

It started with a Easter Fashion Parade

Then the Easter Egg Hunt helped by Mr Bunny

Mr Bunny with the BRFB & the Paramedics

We had egg and spoon races for the littlies, older kids and adults.

Louise from the BRFB helped the children play with the water hose.

Mr Bunny and Tracy - Easter Bunny Committee

Angela and her friend

Riley Nolen speaking on behalf of the BRFB

Angela and Shirl - Easter Bunny Committee

"It was an awesome community event and was well-attended by residents of Berrigan and out of town" by Angela

"The Bunny arrived on Saturday ready for the Easter Egg Hunt which was a great success. We are so pleased that families came along and enjoyed, hope there will be many more" By Laney

Laney - Easter Bunny Committee

Berrigan War Memorial Hospital

Easter Bunny made a surprise visit to the Berrigan War Memorial Hospital and said hello to some patients and residents there. They were happy and surprised to see him.

He visited each person in turn to have a little chat and he gave them some Easter eggs and left some for those people he didn't catch up with.

A big thank you Mr Bunny for making this Easter fun!
Thank you to all the staff for the wonderful work you do every day

A big thank you to:
Mr Bunny

Berrigan Rural Fire Brigade
Berrigan Ambulance Paramedics
Joe at Berrigan IGA
Paul Butler
Linda & Tony at The Old Bank
Tracy at Dress Me Fancy Costume Hire

Berrigan Library News

April was a busy month at our library. We enjoyed hosting two Author visits. Kat Finnerty (Rochford), spoke to an enthusiastic group on the first Saturday in April. She is a very positive and inspirational speaker and author of “Never let a Good Disaster Go To Waste”

The following Tuesday Pauline Wilson entertained a group of ladies with an interesting talk about her historical fiction books. She shared how she based her novels on her ancestors giving each book authentic settings and realistic storylines. She also spoke on her journey as a self-published author. The talk concluded with a delicious afternoon tea supplied by the Berrigan CWA.

The Holiday Program was held in April, children enjoyed making button flowers and minion notebooks. The library holds these sessions every school holiday period at a small fee to cover costs for materials. The activities are very popular, and bookings are recommended.

The library has a Storytime session every Tuesday Morning at 10.30am. The session lasts about 30 mins. Each session has a theme, and several books are read followed by a craft activity.

All children and carers welcome.

The library will celebrate Law Week this year (19th – 25th May) with lots of free bookmarks to give away and a talk on writing a will. More details will be available closer to the date

WILLIAM BRUCE snr and BILL BRUCE – BERRIGAN PLUMBERS

The Bruce family were handloom weavers in Scotland. It was a hard life without much opportunity for advancement. William Bruce's parents emigrated to Australia in 1876, the year after he was borne. They settled in the Warrnambool area and his father worked as a plumber. William was a champion cyclist in his youth. The family have a trophy cup won by him in the Colac-Melbourne Cycle Race.

William married Sarahann Everard in 1904 in Warrnambool and their first child, William Robert Everard (Bill) was born in 1905. The family moved to Berrigan in 1908 where William Snr opened a plumbing business. In 1909 Robert Bruce, William Snr's young brother, joined William as an apprentice plumber.

After the outbreak of WW1 Robert joined the army. In 1915 he was wounded in the left hand and it was amputated and replaced with a hook. His health deteriorated and he died in 1920. Bill, his sister Mafra and younger brother David all went to school in Berrigan. Mafra learned to play the piano at the Berrigan convent and was so talented that she went on to take honours at the Sydney College of music. She also played the bagpipes and violin as did her father and Bill. They were proud of their Scottish ancestry and there are photos of them in kilts in the family albums. Mafra worked in McLeod's Store after leaving school and later married Patrick Sheridan, another Berrigan plumber. Bill joined his father in the plumbing business as soon as he left school as did his brother David.

Bill was a good football player and played a few games with Essendon Football Club in the VFL. He always played wearing a helmet because he had lost his left ear in a car accident when he was 16. His VFL career was cut short when his father fell ill and he had to stay in Berrigan. He played in the Murray League until he was 43 and for his involvement with and contribution to the game he was made a life member of the Victorian Country football League. Bill never married.

During his life in Berrigan he grew to be a much loved and well respected member of the community. He did a vast amount of work free of charge for local organizations such as the hospital and Catholic School. Bill died in 1972 aged 63. He was repairing a windmill on a local property when he fell and died from the injuries suffered.

From the Museum. Marnie Steer.

William Bruce Snr.

Berrigan MX Park

Berrigan MX Ride Park Incorporated (BMXRP) is a not-for-profit motorcycle track run by volunteers located on Ratcliffes Road, Berrigan.

We have four tracks in use;
Junior/PeeWee track, track used for juniors with small jumps and turns best suited to bikes under 110cc
MX1, 1.5km long full-size motocross track
MX2, 1.1km long flowing motocross track suitable for 65cc bikes & up
Enduro loop

BMXRP is a great resource and a great facility within our local community as more and more tracks are becoming increasingly difficult and intimidating for young local riders. The club's vision is not to create a competition/professional style track but rather a place for beginners and families to come ride together without the pressure and expectations of professional/championship style tracks. On previous ride days we have seen people travel from not only the local Berrigan and Moira Shire areas but Albury and Griffith due to the nature and atmosphere at Berrigan.

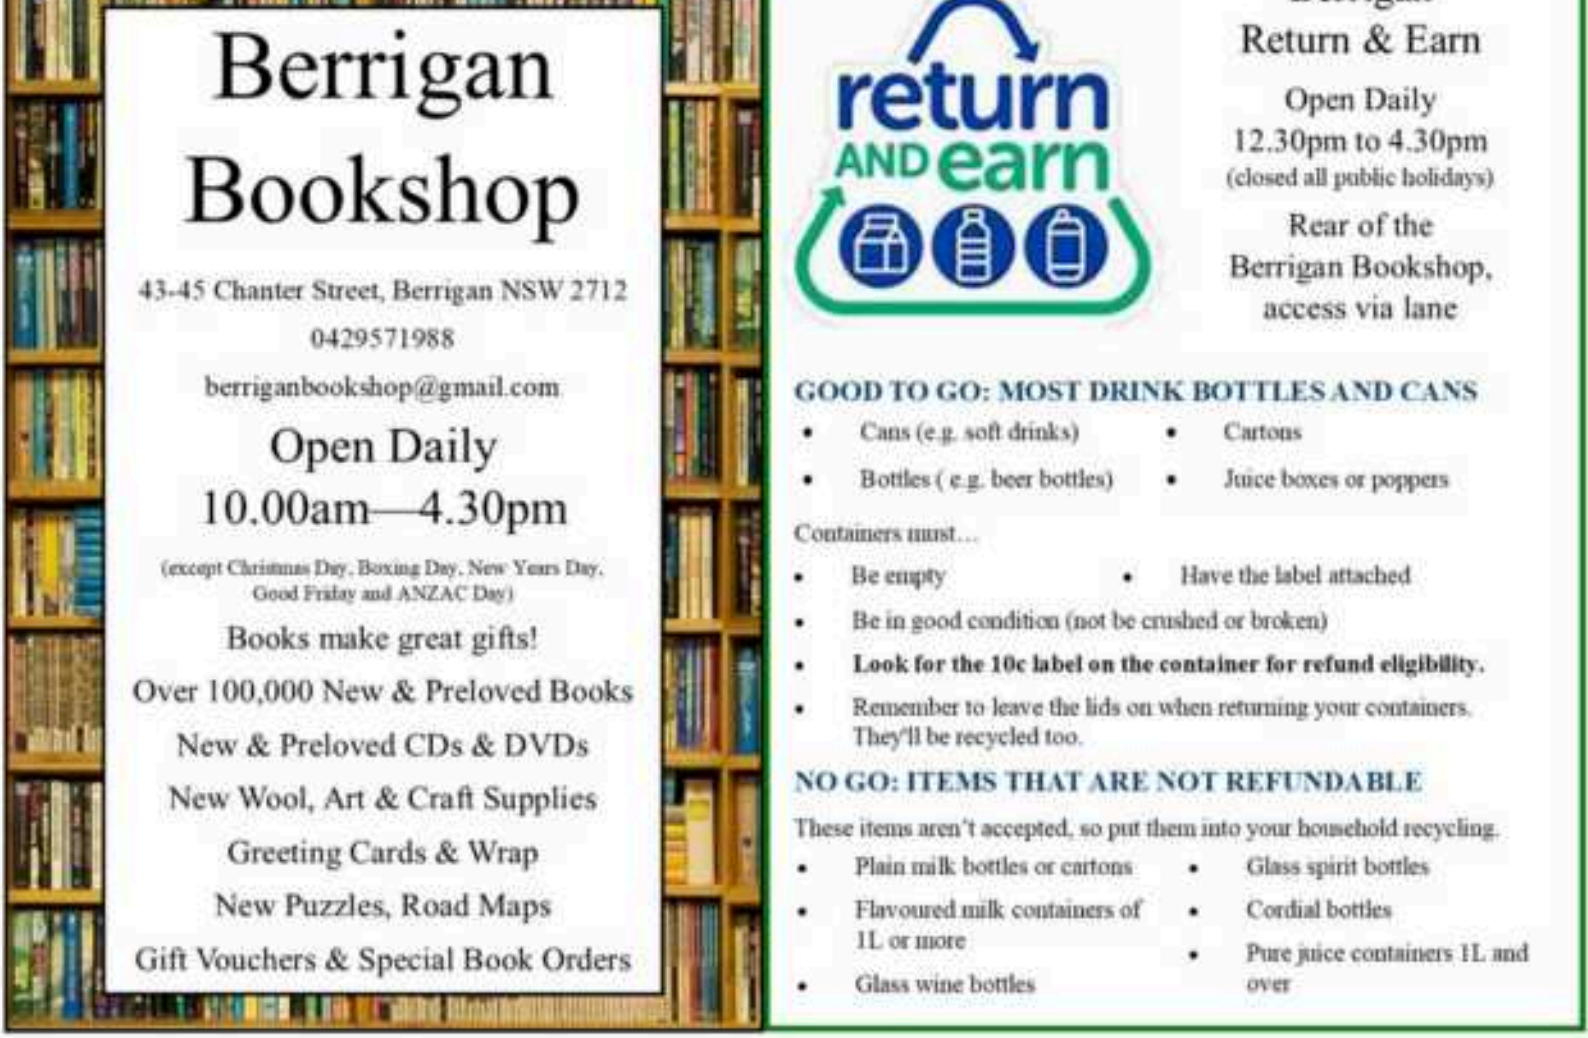
"I'm not sure who has more fun; the kids or the dads! The best part is you don't need the fancy trailer, the latest and greatest bike and you don't need to sign up for a membership making Berrigan such an easy going and friendly atmosphere, much better than other tracks where we feel so out of place." local riding family.

Last year, the committee were able to purchase water cart together with water pipe and water tanks to enable water to be applied to the tracks prior to ride days with the hope of being able to extend the number of open/ride days each year. In 2025, we are investing heavily in the track itself with professional MX track designers, Trackcraft Design carrying out major track work. These works include moving jumps, improving jump angles and corners to create a great rider experience and safer track for all.

The track is open every Sunday 10am-3pm from approximately late April through to October each year, dependent on weather and track conditions.

Berrigan and district are very fortunate to have such a fantastic and unique facility with passionate and hard-working volunteers and committee members. We hope to continue to improve the facility and for it to thrive into the future, however, more volunteers and sponsors are required. This year for the first time we have sponsorship packages available to purchase to show your support, if you or anyone you know would be interested in more information regarding a sponsorship package please contact, berriganmxpark@gmail.com.

Please keep up to date with track conditions and opening hours on our Facebook page – Berrigan MX Park or contact us at berriganmxpark@gmail.com
We hope to see you out there.



Berrigan Return & Earn

It is wonderful to see the locals take advantage of having a Return & Earn Point here in Berrigan. If you haven't found it yet, just head down to the back lane behind the Berrigan Bookshop and come around the shed.

At the moment, we are running the Return & Earn out of the end of the shed that is closest to the Bookshop. If you find the blue shipping container, you are at the right spot! If we are not in the shed, then we are in the shop, so not far away.

We have large free plastic bags available to collect your Return & Earn containers in. Just ask for some when you drop your containers off. Just remember, not all containers are made the same – check your containers and only bring the stamped 10 cent Return & Earn accepted containers. If your container doesn't have the return & earn label, pop it in your home recycling bin. You can download the Return & Earn app on your phone and scan the barcode on your containers to check if they are eligible.

Containers need to be empty, have the label and barcode and be whole – not broken or crushed or squashed. Plastic containers, aluminium cans and milk/fruitbox cartons can go together in a bag. Glass containers need to be kept separate - a great idea is to repack them back into the cardboard box they came in, it's easy to count and carry them as glass is surprisingly heavy! If you have separated and counted your containers, bring them down to the shed at the rear of the Berrigan Bookshop between 12.30pm and 4.30pm daily to collect your 10cents per container. Please note the Return & Earn is closed for all NSW Public Holidays.

Australian Government

Services Australia

Australian Government mobile service centres

If you live in a rural area, you may need to travel greater distances to access government payments and services. To make it easier for you to access these services, we're bringing them to you and your community.

Mobile service centres (MSCs) travel extensively throughout rural and regional Australia to provide help and support. During natural disasters and emergencies, they can provide on-the-ground support for disaster recovery efforts.

Services Australia staff travel with the MSCs and can help you with Medicare and Centrelink payments and services. Our MSCs also have disabled access.

Our staff can also help veterans and their families connect to the Department of Veterans' Affairs phone line and online services.

Wi-Fi is available for visitors to the MSC and staff will be able to help you create a myGov account. myGov is a simple and secure way to access government services online.

Our staff provide you with friendly face-to-face service, information and support. From time to time, representatives from other government agencies also travel with the MSCs.

More Information

To view the latest itineraries for the MSCs, go to **servicesaustralia.gov.au/mobileoffice**

The stopping locations are promoted in each town and on social media before each visit.

Information and help you can access on board the MSCs

We provide information, help and support to rural and regional communities, including:

- families
- older Australians
- students
- job seekers
- people with disability
- carers
- farmers
- self-employed people.

We can assist you with:

- registering and using the agency's online services
- new claims for Centrelink payments
- updating and confirming Medicare and Centrelink information
- information on how financial matters may impact on payments
- assistance with payment and service options
- rural payment entitlements for eligible farmers
- non-cash Medicare transactions
- enrolling for and issuing new Medicare cards
- updating and re-issuing Medicare cards
- social work support and referrals.

Australian Government

Services Australia

Australian Government mobile service centres

Serving regional Australia

Visit the mobile service centre to find out about Australian Government payments and services for rural families, older Australians, students, job seekers, people with disability, carers, farmers and self-employed people.

We can also help veterans and their familes connect to the Department of Veterans' Affairs phone line and online services.

Staff can provide you with information and support. They can also help you create a myGov account. myGov is a simple and secure way to access government services online.

Berrigan Community Garden

Berrigan Community Garden meets on Saturday 9.30am and Wednesday 1.30pm New members most welcome.

This long hot dry summer our garden has been very productive, thanks to the dedication of members with watering roster. The pumpkins, zucchini and beans most popular.

We now have our winter vegetables planted, cauliflower, broccoli, beetroot, peas and more.
The plant stand has a variety of different plants worth a visit to pick up a bargain.

If you are new to town and would like to meet new people, come along to the garden of a Saturday morning where you will be given a small job to do and finish with a cuppa and friendly chat
