BERRIGAN NEWS

The latest news, information and events in Berrigan NSW
A community iniative brought to you by the BDDA

Berrigan is known as a friendly town, where the locals have the time of day to say “Hello, how are you? I remember when I came to view my home, my son and I sat in the Berrigan Bakehouse and drank a coffee waiting for the open inspection.

I knew no-one in Berrigan but that didn’t worry me, everyone smiled and said hello, my son thought there wasn’t much happening here - Boy, was he was wrong!

I was thrilled to have been offered a lease and I moved in, bringing all I owned in the horse float, my car and the ute. I ended up having to leave a lot of my stuff under the car port to move it in the next day. It was wonderful to look outside the next morning and it was still there! I had moved from Wodonga, where I’d been spending time with my daughter, the difference between the two places was a wonderful surprise!

I remember taking my little rescue dog, Bella, for walks around town, most people know me now as the lady with the walker and her little dog and the Editor of the Berrigan News.

It is a pleasure to volunteer and by doing so, I’ve started to get to know the lovely people who call Berrigan home.

I received an article from Myles Humphries, the Secretary of the Men’s Shed, and it truly uplifted me and warmed my heart.

I am so blessed to be surrounded by a community who love life and each other, it seems like most people volunteer and work in at least two positions. The willingness to serve, give time, energy and support to each other is wonderful to say the least; all too often in this world people are selfish and focus on ME ME ME.

Please read Myles’s article about the Men’s Shed, it’s on page 6, thank you.

BERRIGAN CWA

Jenny Coldwell and Beth Rendell were Delegates at the 103rd CWA of NSW State Conference held in Wagga. Meetings were held at The Range Function Centre and the Land Cookery, Handicraft, Art and Literature, Agriculture and Environment, Publicity, International, Social Issues Committee, Show Catering Committee and Hospital Support were very well displayed at Equex Multi Purpose Stadium. The theme for the Conference was "From Isolation to innovation, The Threads that Bind".

Jenny and Beth attended the Ecumenical Service and Twinning Dinner on Sunday.
On Monday, Mayor of Wagga welcomed everyone, followed by the Official Opening by Dr Joe McGirr MP, Member for Wagga. The Hon. Tara Moriaty, Minister for Agriculture was guest speaker as well as Sarah Wheeler from The Outback Long Ride.
Varied topics were covered and many concern our area of the State. The motion to take 2 months off Daylight Saving, matters concerning Rural Fire Brigades and Emergency Services being improved, opposition to foreign ownership of energy networks and telecommunications, to support the work of NSW Anti-slavery issues, fitting of seat belts in buses that transport school children in rural, regional and remote areas, to urge State and Federal Governments to investigate the pricing of gluten-free products, request a review of use-by-date markings on prescription and non-prescription medications, prioritise feral pig control were some of the many motions discussed during the three days by over 450 delegates.
Sponsors were allowed time to address attendees. Westfund, Energy Co, NBN Co, NRAR (National Resources, Access Register) and RAMHP a mental health program were all very interesting. Kylee Denis, Managing Director of Two Face Investigations and a former Detective, kept everyone enthralled with stories about her life and work regarding detection of scams.

Lyndall Horne won places at the Murray Group Land Cookery, but had some very good opposition at Wagga. Lyndall was pleased to attend the display and was learn some finer points of her entries even though she didn't win any places.
Marnie Steer entered six paintings and was pleased to receive 2nd place for her Miniature painting and three 3rd places for her other entries. There were lots of very talented artists work to view.
The Conference ended with a Gala Dinner held at Wagga RSL on the final day.

At our recent monthly meeting, Tony Taylor addressed members regarding the Health Care Directive and how important it is to have our Advanced Care Plan in place.

Two Commonwealth Bank ladies visited us and spoke about Scams, how to detect them and what to do if we happen to fall victim.

PLEASE NOTE: On Friday 18th July we invite all members of our community to come along to the CWA Rooms between 10.00 am and 12.00pm as we are holding morning tea and address from Can Assist organisation. Can Assist is a vast network of local volunteer branches that collaborate with health professionals. Can Assist is committed to ensuring that all people, regardless of where they live in NSW, have access to cancer treatment and care. There are over 3000 volunteers and 56 branches in NSW and has been in existence since 1955. Cancer can affect any of us and many are not aware of the assistance that is available. Please come along, bring a friend/friends. We can all learn something from this day.

Our Berrigan CWA ladies attending:
Beth Rendell, Kate Hawkins, Jenny Coldwell, Lorna Gray and Del Schweicker.

BERRIGAN MENS SHED
JULY

AUSTRALIAN MEN'S SHED ASSOCIATION
Shoulder to Shoulder

Great to experience a real and wet winter in Berrigan again. The Winter cereal cropping season is really kicking along with paddocks nicely covered in a green carpet. The shed is travelling well with members attendance exceeding expectations. This transpires into our permanent members greeting of RUOK (are you OK) that ensures members and visitors alike are welcomed and valued. The resultant levels and volumes of conversations establishes a place of care and safety and thereby places men's health at the front of the shed queue.

Members have been engaged with furniture restoration and recycling projects, thereby keeping the landfill free of well-loved furniture. Furniture sales are charging ahead with low stock in our windows and we are always on the lookout for donated furniture in good condition, bearing in mind that members are not rubbish removalists.

Residents will be surprised with the range of skills to undertake those tricky repairs to family heirlooms and other loved pieces of furniture. Delivery of purchased furniture items can be negotiated on the day with flexible arrangements of days and time.

In Closing, do drop in on a Tuesday or Thursday morning and have a discussion with members about what can be achieved with your project.

Until next month - HAPPY SHEDDING

BERRIGAN LIBRARY NEWS

Berrigan Shire Council Awarded Public Library Infrastructure Grant
Berrigan Shire Council is pleased to announce that it has been awarded a Public Library Infrastructure Grant by the NSW Government. This grant will support the enhancement of library services across the Shire, benefiting the communities of Berrigan, Finley, Barooga, and Tocumwal.
The Public Library Infrastructure Grants program, administered by the State Library of New South Wales, provides funding to assist councils in improving public library infrastructure, including buildings and information technology systems. The program aims to extend and improve public library buildings, spaces, and information technology for NSW communities.
The grant will enable the Council to undertake significant improvements to its library infrastructure, ensuring that residents have access to modern, accessible, and well-equipped library facilities. These enhancements will support the delivery of a wide range of services and programs that cater to the diverse needs of the community.
Mayor Julia Cornwell McKean expressed her gratitude for the funding, stating, “This grant will play a crucial role in enhancing the library services we offer to our residents, ensuring they have access to the resources and programs they need to thrive. We have a three-phase modernisation program for our libraries, and this grant will enable us to initiate Phase One”

Remembering Maud Dalgliesh

MAUD DALGLIESH 1894 – 1989

Maud Sutton married Sydney Dalgliesh in 1914. Maud was the daughter of John and Mary Sutton and lived on “Belvedere Park” East of Finley. When she was about 11 years old she attended Mercy College in Wagga where, as a student, she learned to play the piano. She trained as a teacher, teaching first at Curlewis, near Tamworth.

Sydney had purchased “Roughwood” in 1913 from Mr.R.Dickie. In 1914 the 1st World War began. There was a drought and it was a hard year for farming. As a new bride, Maud proved to be a good manager, a good cook and a fine gardener. She also raised and sold turkeys. Sydney Alexander was born in 1915 and later came Allan. Both boys attended Green Swamp Road School. Over the years, some teachers were billeted with the family. “Roughwood” was sold in 1936 and “Blair Athol” was purchased. Sydney (Senior) died suddenly in 1945 after a heart attack. Syd (Jr) lived with his mother, Maud until 1948 when he married Constance Cruickshank. Soon afterwards, Maud moved to Katoomba.

Maud’s cooking and preserves won endless prizes at the Berrigan Show, along with her flowers. The Show Committee honoured her by naming the Pavilion at the Berrigan Sportsground after her. Maud played regularly for church services held in “Glen Garry”, the home of the Dan Dickie family and was organist in St.John’s Presbyterian Church for many years. After moving to Katoomba she played the organ in the Katoomba Presbyterian Church and was a staunch member of the Ladies’ Guild. She turned to teaching again, teaching 3rd and 4th grades at St.Candices Convent School. Maud was also asked to play in the local Catholic church because they had no organist so, as the church times were different, she felt it would fit in. She taught at the Convent there for 17 years, only retiring when to her annoyance the school discovered she was 76 and she could not be insured. Not to be beaten, she then tutored children privately until six years later she returned to Berrigan in 1976. Maud lived in the Berrigan Aged Care Units, “Noonameena” until she had a stroke and spent the next 7 years in Berrigan hospital until she died in 1989, aged 95.

Berrigan Lions Club belong to the 201 V6 District. The District is made up of 55 Clubs and 4 Leos Clubs covering areas from Holbrook, Henty, Myrtleford, Wangaratta across to Echuca, Cohuna and Quambayook. The Clubs in our Zone include Berrigan, Finley, Tocumwal, Deniliquin, Jerilderie and Oaklands.

Berrigan Lions are always on the lookout for old worn out batteries that we collect and sell off to gain funds for Lions Projects. The latest being $1000 for the "need for feed" for flood and drought affected areas and $250 to the Prostate Cancer Research program.
Winter is a quieter time, apart from batteries we maintain the Cemetery and are always ready to help those in need.

SPOOKY

CHECK IT OUT

The Addams Family is coming to Berrigan.

Get ready for an evening of laughs, love, and a whole lot of chaos as the iconic Addams family creeps onto the stage in The Addams Family Musical, brought to life by the Berrigan Amateur Dramatic Society (BADS).
At the heart of the story is Wednesday Addams, who shocks her famously macabre family by falling in love with someone from a perfectly normal background and invites his parents to dinner. A simple evening spirals into a night of family secrets, confessions and pandemonium.
Despite the madness, The Addams Family Musical is a celebration of family, love and what it means to be truly yourself—even if you're a little...unusual.

A sneak peek at the cast and crew:

Duncan Brown is Gomez Addams:

Gomez Addams is eccentric, passionate and known for his boundless enthusiasm and devotion to his wife Morticia. This year Gomez's allegiances will be tested when he must keep a secret from the love of his life.
Originally from Albury, Duncan moved to Cobram in 2024. This will be Duncan's first performance with BADS. Duncan's previous theatre experience include productions in Albury as well as sketch comedy, improvisation and original plays in Melbourne, most prominently as a member of the Mudcrabs Theatre Group.

Marissa Daly is Morticia Addams:

Morticia Addams is the elegant Matriarch of the Addams Family, known for her unwavering loyalty to her family – living or dead, and safe in the surety of her husband's devotion – but Morticia may be in for a surprise.
Marissa lives in Barooga and returns to the stage after a 15-year hiatus, previously having represented BADS in 'Act Your Age' (2010) and 'The Last Eisteddod' (2009).

Grandma Addams – Louise Glanville:

Grandma Addams is a witchy whirlwind in the Addams Household, mischief-maker, potion brewer and loving grandma – sometimes. With a cackle that will reach the back seats, Grandma has a few good years left and she intends to use them wisely.
Berrigan local Louise Glanville has 18 years of experience with BADS and is excited to bring Grandma Addams to life on stage.

Blake Hutchinson is Lurch:

Lurch is the towering, stone-faced butler of the Addams Family, a gentle giant of few grunts, he is ever faithful, always watching and might just have some surprises in store.
Blake moved from Hillston to Berrigan and has previously worked his magic backstage, namely for the 2024 Spectacular. Despite stepping on stage into the considerably large Lurch sized shoes this year, Blake is also assisting with set design and creation.

Stay tuned for more cast, crew and ticket sales information and stay up to date on the Berrigan Amateur Dramatic Society Facebook page.

The Addams Family is directed by Helen Dickie and Tamara Graham.

Did someone say winter gardening? ❄️🌿

There's no better time to prune your roses, shrubs, and trees than now! We're now taking bookings for rose pruning in late July — don't miss your spot!

Need land levelled or dirt moved? We've got the machines and the crew ready to go.
