CanAssist Comes to Berrigan

Can Assist is a charity that helps rural and regional families affected by cancer. It provides financial assistance, practical support and raises awareness of the inequities for people living in rural areas. Cancer can place unexpected financial burdens on families with increased associated expenses such as travel, accommodation and medical costs.
There are over 3000 volunteers and 56 branches in NSW and has been in existence since 1955.

Can Assist Finley was formed in 2018. Practical support and financial assistance are provided to the Finley, Berrigan, Jerilderie, Oaklands, Savernake, Logie Brae, Myrtle Park and Retreat areas. Cancer patients in these areas need to travel to Albury, Shepparton, Wagga, Melbourne and Sydney amounting to many hours away from home.

Berrigan CWA are supporting Finley CanAssist as an outreach to the community. An "open to the public" morning was held on 18th July in the CWA Rooms to explain what assistance is available. Morning tea was served to those attending.

Members would like to sincerely thank Berrigan business houses for their support as they ordered and were delivered morning teas for those unable to attend. Many thanks for supporting the raffle as well.

If you would like to become a member of CanAssist to help with financial support, the cost is $10.00.

Members were pleased with the morning and especially those who ordered the morning teas and support for the raffle. First prize Linda Kay, second prize Sally at Uniting.

At the Berrigan News we love and appreciate the town and its people. Please send in your news, events, special memories and occasions along with photos and advertisements and we will do our best to publish them.

EMMA MAY WOLFE 1879 – 1952

Emma when she was young

"BABY RESCUED JUST IN TIME". This was the caption for a dramatic story recorded in the Berrigan Advocate of 10 December, 1925.

On December 4th, Emma Cantwell noticed a fire at the Payne family home, which was opposite the government tank not far away to the West in Woodstock Road. Knowing that there were children in the house she ran across to it and rushed through the flames to bring out the 4 month old baby who was sleeping in a cot. Emma, who was only small woman, 4ft.10inches tall, later collapsed from shock but recovered. She had only received slight burns, but the baby had burns to the arms, back and head. One of the Payne children had tried to lift the baby from the cot before the flames took hold but was unable to lift it over the railing, so ran to a close neighbour's house to raise the alarm. In the meantime, Mrs. Cantwell rescued the baby. One of the Payne children had away. But for Emma's prompt and courageous action the baby would certainly have been burned to death. A week later the baby was reported to be alive and recovering well. In 1926, Emma Cantwell was awarded a silver medal and certificate from the Royal Shipwreck and Humane Society of N.S.W for her bravery.

Henry and Emma's mud brick home

Emma May Wolfe married Henry J. Cantwell in the Presbyterian Manse in Jerilderie in 1899. Henry worked on Momalong Station where at one stage he was a groom.

In 1902 they moved into Berrigan and Henry built a mud brick family home which they called "Emoh Ruo" on a small farm in Woodstock Road. Henry also owned 300 acres at "The Humpy", about 5 km. further East in Woodstock Road near Chinaman's Tank. Emma and Henry had two daughters, Constance and Laurie.

When WW1 broke out Emma took her daughters and joined the Berrigan branch of the Red Cross at its inaugural meeting in August 1914. She was a staunch member and for many years, with Mrs. Whitty, ran a garden party to raise funds at "Kilfenora". Emma was a great community worker being an active member of the Methodist Church and CWA as well as Red Cross.

AUSTRALIAN MEN'S SHED ASSOCIATION
Shoulder to Shoulder

BERRIGAN MENS SHED - AUGUST

The ongoing wet and cool weather has reconfirmed farmers expectations for another good season and plenty of weed spraying and fertiliser spreading is keeping employment and cash flows happening around the shire. Truck traffic is constant around Berrigan that also reinforces ongoing employment and economic activity. Just expressing the opinion that Berrigan is flying along.
Member activity has been subdued with members on annual "northern migration" and outside activities less comfortable while awaiting our spring garden bed demand season to arrive. Good news with two (2) new members being "inducted" at our July meeting and swelling our ranks to beyond 30 members for 2025. On a sadder note at least two members have been unable to attend weekly meetings with various health issues. Conversations and friendships continue to be cultivated due to the relaxed nature of our bi weekly catch-ups
We are happy for residents to provide furniture repair challenges for members to apply skills, or ask if the shed wishes to receive donated furniture. Our "motto" related to our pre-loved furniture is "to make us an offer that we can't refuse and not upset us". Delivery of purchased furniture items can be negotiated on the day with flexible arrangements of days and time.
In Closing, do drop in on a Tuesday OR Thursday morning for a yarn and a cuppa, or speak with members about what can be achieved with your project.

Until next month - HAPPY SHEDDING

GRAND FINAL SHOWDOWN

SMASH HITS vs HOT SHOTS

What a battle! Both teams brought their A-game, but in the end, it was HOT SHOTS who came out on top in a nail-biting final.

🔥 Champions: HOT SHOTS

- Lindsay Burley
- Jeb Merevale
- Debbie Burley

👏 Runners-up: SMASH HITS

- Kerryn Lyons
- Kayleigh Nolen
- Charlie McGill

Match Highlights:

- Kerryn (Smash Hits) went the distance with 3 games over 1 winning over Lindsay (Hot Shots)
- Jeb (Hot Shots) was on fire—scoring 3 games to 1 over Kayleigh.
- The final clash between Debbie (Hot Shots) and Charlie (Smash Hits) was a thriller! Debbie pulled through with a 5 setter win, just ahead of Charlie.

🏆 Final Verdict:

A hard-fought, high-energy match full of tight scores and big plays—congrats to Hot Shots on a well-earned win, and hats off to Smash Hits for a great fight!

Mayors Message July

This month Berrigan Shire Council says farewell to our CEO, Karina Ewer, who is leaving us to take up a position at Charters Towers Regional Council to be closer to family.

I would like to thank Karina for all of the work she has done here in Berrigan Shire. Arriving in 2021 mid-pandemic, Karina has gracefully traversed a number of challenges including workforce shortages and connectivity issues.

In my view, Karina's greatest achievement has been the digital transformation program that she set in motion. When she first joined us we did not even have broadband internet of suitable speed and quality at our offices. Since that time, we have not only uplifted digital infrastructure but invested in a program that will not only improve services for our community but make them more efficient into the future.

Karina has also been a great advocate for our region. Her participation in the Country University Centre initiative, which proposes a centre in Finley, and the Digital Connectivity initiative in partnership with other local councils, to improve mobile and high speed internet coverage, holds us in great stead for the future. Rest assured that we will continue to advocate to see these projects through to fruition.

Finally, I would like to thank Karina for the support she has provided to our staff and Councillors over these past four years. She has been responsible for numerous submissions to numerous enquiries. She has sat with me at many hearings where we have made sure that the voices of our people, the people have Berrigan Shire, are heard. Thank you.

In the interim, I would ask that you all welcome Mark Dupé who has taken on the role of Interim CEO while we undertake recruitment of a permanent CEO.

Community Garden

Volunteers at the garden have been keeping warm by pruning our Salvias, Emu bushes etc. We have had great success with our cauliflowers and broccoli again this season, thanks must go out to the community for picking them for a donation.

We are waiting to see what our passion fruit will do; our Autumn was a very different season and plants become confused, did this happen with your vines?

The sweet peas are looking good and hope to have a show of flowers this year. The empty beds have been turned over given some Rooster booster and topped up with our own compost, ready to plant summer vegetables in September, early October. Did you know that tomatoes should not be planted in the same position as last season?

The Community Garden would not look as it does today without the hard work of our volunteers meeting each week of a Wednesday 1.30pm and Saturday 9.30 am.

The Community Garden Members would really appreciate a helping hand from someone who is a little more able-bodied who can help with heavier work.

New members always welcome, thank you.

Where to pick up your copies:

From August onwards, copies will be available from;

Berrigan and the Murray Football League in the 1950's decade

The Ednie brothers – Ray & Alan were a vital part of Berrigan's team with their aerial ability. Their sisters, Joan & Kath were renowned barrackers and club workers for our town also.

Kevin Brady would shear sheep 5 days per week and then front up as a great centre half back on Saturdays.

Graeme Ellis starred for Berrigan in the latter half of the fifties. Most of us players would train for six weeks before the season, but Grame would arrive on the last Thursday evening before the first match, do a lap or two, have a kick and then be best on ground on the Saturday.

Whilst many others are worth a mention I will stop there.

The game in the 50's was so different to now.

There were many more one on one contests, a much more open game. High marking was a great feature of the game, as was the drop kick, the torpedo kick, the drop stab kick a low fast pass between the players.

Until 1956, Berrigan's home ground was the old recreation oval beside the Primary School. It had a refreshment room and a very old grandstand with rooms attached as change rooms. They were small and filled with smoke from the boiler for hot water but it had a great atmosphere.

Then in 1956 we moved to the Berrigan Showgrounds to the lovely oval & facilities that now exist.

I retired as a player in 1960 and the league changed with clubs coming & going but it was a wonderful era.

It was a wonderful time with local boys making up most of the playing positions. Payment for playing was very rare – it was our love of the game and the fun of togetherness that made it a big part of small country town life. Very much including Berrigan. I hope this brings a smile to some of it's readers.
